

311 and Slightly Stoopid are joining forces for what promises to be the party of the summer. This is 311's tenth consecutive annual launch of the Summer Unity Tour. <http://311.jonesbeach.com>

This is an announcement that tons of reggae rock fans have been waiting for. Even the artists are stoked. After the show Nick Hexum tweeted “Slightly Stoopid joining @311 for this summer’s Unity Tour! Gonna be a fun one!” 311 and Slightly Stoopid joining forces should provide for one of the biggest and best tours this summer is offering thus far.
