Watching the Show

There are two ways that one can watch the show: from the beach or from a boat. Some have asked me if the show can be seen from other surrounding beaches, and the answer is probably yes. However, you will be nowhere near airhsow center (where all the action takes place and the acts are centered around) and you will not hear Mr. Reider's commentary. So for the best viewing experience, stay with Jones Beach itself.

For those with boats, the show can be viewed from Zach's Bay or from the ocean. However, there are restrictions as to where in the ocean the show can be watched. I was able to find these parameters for the 2005 show, and I can only assume that they will be the same for this year. And if they aren't exactly the same, the worst that can happen is the Coast Guard will yell at you and tell you to move. No biggie.
