Janet Jackson has extended her current "Unbreakable" world tour into next summer, including a stop at Nikon at Jones Beach Theater on June 25, 2016

Janet -- Miss Jackson, if you're nasty -- is releasing her first album in more than seven years on Oct. 2. "Unbreakable" features lead single "No Sleeep" with J. Cole, "BURNITUP!" with Missy Elliott, and tracks inspired by the loss of her brother, Michael Jackson.

is agains agreed while the research selection of the first or a selection of the first of the fi
