In a press release, the band's frontman Gary LeVox talked about how this tour would be part of the resetting of Rascal Flatts: "I can't describe how much we are looking forward to the tour this summer," LeVox said.. "We've been lucky enough to be in a position to tour consistently throughout our career, and last year felt like the perfect time to reset as we focused on the release of our 10th album.. "Coming back this year and with our friends, Dan + Shay, who are some of the best guys around, as well as Carly who had an amazing year last year, makes it all the more exciting! It's going to be an awesome time for us and the fans," he said.

Pearce tweeted about the news on Wednesday morning (Jan. 10), right after the announcement, saying, "I AM SO EXCITED FOR THIS!!! My summer just got a wholllllle lot better," she wrote.
