Kidz Bop is a popular music brand for kids, featuring global pop hits “sung by kids for kids” with family-friendly lyrics. The franchise has sold more than 23 million albums and generated more than 8 billion streams, and most recently released “Kidz Bop 2023,” featuring covers of “Anti-Hero,” “About That Time,” “Sunroof,” and “Late Night Talking.” The concerts feature choreography, special effects and a “Daddy Dance Off,” giving dads in the crowd a chance to dance on stage.

The live shows are part of the children’s music group’s 2023 “Kidz Bop Never Stops” tour dates and will feature four new Kidz Bop Kids — Jackson, Kiya, Shila, and Tyler — performing Kidz Bop versions of songs by artists like Taylor Swift, Lizzo, and Harry Styles.
