

Last week, Poison drummer Rikki Rockett spilled the beans that Poison would be hitting the road with Def Leppard this summer. Now, British arena rockers Def Leppard confirmed and will return to the shores of Jones Beach on July 13 with special guest Lita Ford. <http://DEFLEPPARD.jonesbeach.com>

“We had such a good time going out with Poison in 2009 that we thought it only right to do it again!” says singer Joe Elliott. Poison and Lita Ford will accompany Elliott and the boys, best known for “Rock of Ages,” “Pour Some Sugar on Me” and “Foolin’.”
